A BRIEF HISTORY OF EGERTON UNIVERSITY.

Egerton University started as an Agricultural School in 1939, when it admitted the first three students in makeshift structures.

Today, it is an acknowledged degree awarding institution with a reputation as a Centre of Excellence in Agriculture. It also offers various courses in Education, Natural and Applied Sciences, Arts and Social Sciences.

The first three students of the institution were ex-World War II British servicemen who required basic training in agriculture prior to settling in Kenya Highlands. The mode of instructions at Egerton Agricultural College remained informal until the mid-1940s when a formal nine-month certificate course was introduced. The School was subsequently elevated to an Agricultural College. A Diploma programme was initiated in 1940 and in 1955, the Government handed the management of the College to a Board of Governors through an Act of Parliament.

In 1966 while Sir Michael Blundel was the Chairman of the Board of Governors, the first African Principal Dr. William Odongo Omamo, was appointed.

In 1986, the College was elevated to a Constituent College of the University of Nairobi and in 1987 it was granted University status by an Act of Parliament.

The University has four campuses. The Main Campus (Njoro campus), is located 180 kilometres north west of Nairobi and 30 kilometres from Nakuru on a 1,445 hectare piece of land donated by the Lord Maurice Egerton of Tatton (1874-1958), 320 hectare in 1939 and 1,125 hectare in 1958. Situated at an altitude of approximately 2,250 metres, with an excellent climate and an ideal locality. This Campus provides a conducive academic atmosphere.

The second campus (Laikipia Campus College) is located near Nyahururu town some 45 kilometres from Nakuru, on a 365-hectare piece of land formerly occupied by the Laikipia Teachers College. This College, inter-alia, offers a Bachelor degree in Education (Arts).

The third campus (Kisii College Campus) is situated in Kisii town on a 24-hectare piece of land formerly occupied by Kisii Teachers College. The Bachelor of Business and Management (BBM) is offered in this Campus, in the Faculty of Commerce.

Since its inauguration, Egerton University has continued to expand. Currently, the University has the following programmes: twenty-eight (28) undergraduate degree, six (6) diploma, twenty-seven (27) masters, one (1) postgraduate diploma in Education and 13 doctorate programmes.

To cater for emerging demands for education in various sectors of our economy, the University has established the Faculty of Commerce and the Faculty of Health sciences. The Faculty of Commerce is situated at the Nakuru Town Campus, which became operational in August 2001. The Bachelor of Commerce (Bcom) and the Master of Business Administration (MBA) programmes are offered in this facility.

The Faculty of Health Sciences will offer diplomas, undergraduate and postgraduate programmes in various health professions.

EGERTON UNIVERSITY ALUMNI ASSOCIATION.

 - ❖ Senior academic administrative staff in the University.

Honorary membership can be extended to anybody who has contributed significantly to the objectives of the Association.

Inaugurated at the time when the College was about to be transformed into University-College status, the Association played an important role by offering advice to the *Ayany Commission* which was appointed by the Government to work on the modalities of upgrading the College into a University.

The Association also made tangible recommendations on the future administration structure of Egerton College in its new role as a University.

Besides that, the Association featured prominently in the review of the terms of service of staff.

The Association instituted the Credit Transfer provision, which was effected at the beginning of 1993 for Diploma holders of the College who enroll for Degree programme in the University.

The EUAA-Secretariat which falls under the office of the Deputy Vice-Chancellor (Academic Affairs) welcomes all newly graduated Alumni as well as the old ones to join the association.
