A BRIEF HISTORY OF EGERTON UNIVERSITY

Egerton University started as a Farm School in 1939, when it admitted the first three students in makeshift premises. The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in the Kenya Highlands. The mode of instructions at the school remained informal until the mid-1940's when a formal nine-month certificate course was introduced. The school was subsequently elevated to an Agricultural college. A diploma programme was initiated in 1949 and in 1955, the Government handed the management of the college to a Board of Governors through an Act of Parliament.

In 1986, the college was elevated to a constituent college of the University of Nairobi and in 1987 it was granted University status by an Act of Parliament. Egerton University has become an acknowledged degree awarding institution with a reputation as a Centre of Excellence in Agricultural Training. It also offers various courses in Education, Natural and Applied Sciences, Health, Law, Arts and Social Sciences.

Egerton University has four campuses namely: Nairobi City Campus, Kenyatta Campus, Nakuru Town Campus College (NTCC) and the Main Campus (Njoro Campus). The Main Campus (Njoro Campus), is located 180 kilometers North West of Nairobi and about 30 kilometers from Nakuru on a 144 – hectare piece of land donated by Lord Maurice Egerton of Tatton (1874 – 1958). This Campus is situated at an altitude of approximately 2,250 metres, with excellent climate, ideal for serious academic pursuit.

The NTCC offers degree programmes in Commerce and Business, Education, Engineering and Arts. The Faculty of Health Sciences is also situated in Nakuru town. It offers training in Medicine, Clinical Studies, Nursing and Nutrition.

Kenyatta Campus is being developed into a Center for Capacity Building and is situated 5 km from the Njoro Campus.

Since its inception, Egerton University has continued to expand. It has 46 departments in ten faculties, one school, and one institute with **1604** staff members (academic, administrative and support) and about **15594** students pursuing various undergraduate, diploma, and postgraduate degree programmes.

The University has a vibrant Research and Extension division which enhances an interface between training, research and the wider community.

After this 44th graduation ceremony, the university shall have conferred degrees and awarded diplomas to a total of **81888** graduates.
