- ◇ To reward students/Alumni for exemplary scholarship
- ◇ To promote qualitative research activities within the University
- ◇ To enhance the publication and dissemination of educational materials within the university
- ◇ To encourage and finance selected student socio-cultural activities such as sports, arts exhibitions, music and establishment of agricultural activities in the University
- ◇ To organize such income generating activities as dances, films and auctions with the aim of raising funds for the development of the University ; and
- ◇ To be involved in decision making process in the University

Membership to the Association is open to the following :

- ◇ all graduates of the College/University on payment of a registration fee of one hundred Kenya shillings (Ksh. 100)
- ◇ senior academic/administrative staff in the University.

Honorary membership can be extended to anybody who has contributed significantly to the objectives of the Association.

Inaugurated at the time when the college was about to be transformed into University-college status, the Association played an important role by offering advice to "Ayany Commission" which was appointed by the government to work on the modalities of upgrading the College into a University.

The association was instrumental in reviewing the former diploma courses with the aim of either maintaining them or upgrading them into degree programmes.

The association also made tangible recommendations on the future administrative structure of Egerton College in its new role as a University. Besides that, the Association featured prominently in the review of the terms of service for staff.

The Association instituted the credit transfer provision, which was effected at the beginning of 1993 for Diploma holders of the College who enroll for Degree programmes in the University.

The EUAA - Secretariat which falls under the office of the deputy Vice-Chancellor, welcomes all newly graduated Alumni as well as the old ones to join the association.

A BRIEF HISTORY OF EGERTON UNIVERSITY

Egerton University started as an Agricultural School in 1939, when it admitted the first three students in makeshift premises. Today, it is an acknowledged Degree awarding institution with a reputation as a Centre of Excellence in Agricultural Education and Extension. It also offers various courses in Natural Sciences, Arts and Social Sciences.

The University has three campuses. The Main Campus (Njoro Campus), is located 180 kilometres north west of Nairobi and 30 kilometres from Nakuru on a 1445-hectare piece of land donated by the late Lord Maurice Egerton of Tatton (1874-1958), (320 ha in 1939 and 1, 125 ha in 1958). Situated at an altitude of approximately 2, 250 metres, with an excellent climate, and in an ideal locality, this campus provides a conducive academic atmosphere.

The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in the Kenya Highlands. The mode of instructions at Egerton Agricultural College remained informal until the mid 1940's when a formal nine-month certificate course was introduced. The School was subsequently elevated to an agricultural college. A Diploma programme was initiated in 1949. In 1955, an Act of Parliament appointed a Board of Governors to manage the college.

The Egerton Act was amended and the Board re-organised. This made the College accessible to non-Europeans in 1961. Prior to that, the College had remained an exclusive preserve for Europeans.

The second campus (Laikipia College Campus) is located near Nyahururu town, some 45 kilometres from Nakuru, on a 365-hectare piece of land formerly occupied by Laikipia Teachers College. This College, *inter alia*, offers Bachelors Degree in Education (Arts). The third campus (Kisii College Campus) is situated three kilometres from Kisii town on a 24 hectare piece of land formerly occupied by Kisii Teachers College. The College offers a Postgraduate Diploma course in Education to aspiring secondary school teachers.

The Egerton College became a fully fledged university in 1987. It now has 8, 000 students and an academic staff of 600.
