BRIEF HISTORY OF EGERTON UNIVERSITY

Egerton University started as an Agricultural school in 1939, when it admitted the first three students in makeshift premises.

Since then, it has become an acknowledged degree awarding institution with a reputation as a Centre of Excellence in Agriculture. It also offers various courses in Education, Natural and Applied Sciences, Health, Arts and Social Sciences.

The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in Kenya Highlands. The mode of instructions at Egerton Agricultural College remained informal until the mid-1940's when a formal nine-month certificate course was introduced. The school was subsequently elevated to an Agricultural college. A diploma programme was initiated in 1949 and in 1955, the Government handed the management of the college to a Board of Governors through an Act of Parliament.

In 1986, the college was elevated to a constituent college of the University of Nairobi and in 1987 it was granted University status by an Act of Parliament.

The university has five campuses. The Main Campus (Njoro Campus), is located 180 kilometres North West of Nairobi and about 30 kilometres from Nakuru on a 144 – hectare piece of land donated by the Lord Maurice Egerton of Tatton (1874-1958. This campus is situated at an altitude of approximately 2,250 metres, with excellent climate, ideal for a conducive academic atmosphere.

The second campus (Laikipia Campus College) is located near Nyahururu town some 45 kilometres from Nakuru, on a 365-hectare piece of land formerly occupied by Laikipia Teachers College. This college, among other things offers Bachelors Degree in education (Arts) and the Postgraduate Diploma courses in education which are offered to aspiring secondary school teachers. The third campus (Kisii Campus College) is situated in Kisii town on a 24-hectare piece of land formerly occupied by Kisii Teachers College. Others are Nakuru Town Campus (located in Nakuru Town) and Kenyatta Campus.

Since its inauguration Egerton University has continued to expand. It has 42 departments in eight faculties with 3,181 staff members (academic, administrative and support) and 13,000 students pursuing various undergraduate and post-graduate diploma and degree programmes.

To be able to reach its local community, the university established two training centres in Nakuru town; mostly offering self sponsored programmes and short-term certificate courses.

THE ALUMNI ASSOCIATION

About twenty years ago, in the month of February 1984 former students of Egerton College got together and formed an organization, with the following objectives:

Promoting the image, integrity and principles of Egerton University as an institution of higher learning, especially in the field of Agriculture, **disseminating** agricultural information to rural areas so as to enhance agricultural development in Kenya, **promoting** exchange of socio-cultural ideas among Alumni and the University community through seminars, tours and meetings, **soliciting** support from the public and private sectors to further develop the university, **acquiring** and **disseminating** information of employment opportunities for Alumni, **rewarding** students / Alumni for exemplary scholarship, **promoting** qualitative research within the university, **enhancing** publication and dissemination of educational materials within the university, **organizing** income generating activities with the aim of raising funds for the development of the university and **assisting** in decision making in the university

In April 2005, the Alumni Services and Student Placement office, and the Alumni Association Office were merged into one, in order to refocus the Alumni Activities within the University. An executive officer now coordinates all Alumni activities within the university.

By linking with the Alumni all over the world, this office provides an opportunity for the university to get feedback from the business world regarding its graduates. KENYA NATIONAL ANTHEM

- 1) O, God of all creation
Bless this our land and nation
Justice be our shield and defender,
May we dwell in unity
Peace and liberty
Plenty be found within our borders
- 2) Let one and all arise
With hearts both strong and true,
Service be our earnest endeavour,
And our Homeland of Kenya
Heritage of splendour
Firm may we stand to defend.
- 3) Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.
