when it admitted the first three students in makeshift premises.

Since then, it has become an acknowledged degree awarding institution with a reputation as a Centre of Excellence in Agricultural Training. It also offers various courses in Education, Natural and Applied Sciences, Health, Arts and Social Sciences.

The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in the Kenya Highlands. The mode of instructions at Egerton Agricultural College remained informal until the mid-1940's when a formal nine-month certificate course was introduced. The school was subsequently elevated to an Agricultural college. A diploma programme was initiated in 1949 and in 1955, the Government handed the management of the college to a Board of Governors through an Act of Parliament.

In 1986, the college was elevated to a constituent college of the University of Nairobi and in 1987 it was granted University status by an Act of Parliament.

The university has three campuses namely: Nairobi City Campus, Baringo Campus and Kenyatta campus and Nakuru Town Campus College. The Main Campus (Njoro Campus), is located 180 kilometers North West of Nairobi and about 30 kilometers from Nakuru on a 144 – hectare piece of land donated by Lord Maurice Egerton of Tatton (1874 – 1958). This Campus is situated at an altitude of approximately 2,250 metres, with excellent climate, ideal for serious academic pursuit.

The campus college is located in Nakuru Town and offers self-sponsored degree programmes in Business, Engineering and Arts. The University Medical School is also situated in Nakuru town. It offers training at undergraduate level in Medicine, Clinical Studies and Nursing.

Kenyatta Campus is being developed into a center for Open and Distance Learning and is situated 5 km. from Njoro campus.
